

Application for Deferment of Commencement, Suspension or Cancellation of Studies

Please refer to the MAIT Deferment Policy and Procedure on the MAIT website or contact Student Services if you need clarification or information on how the policy refers to you.

Deferment, suspension or cancellation can have an effect on a student's visa as a result of change to enrolment status. Please contact the Department of Immigration and Citizenship (DIAC) to seek advice on whether this will affect you.

Students who have not yet commenced their studies will need to contact the Department of Immigration and Border Protection in case there is any effect on their student visa as a result of deferring your commencement date.
